Introducing... **The Great Imitator** new
our first ever **pea-protein** chicken alternative!

Safety first!

We've made some changes to make sure our customers and our teams are as safe as possible.

With social distancing in our kitchens, we've had to reduce our Food & Drinks menus for now.

Please help us by sticking to the social distancing guidelines, and remember to wear a mask unless you're eating at the table.

How do I order and pay?

You now order and pay from your table by scanning the QR code (just open the camera on your phone and hover over it). If you're having trouble, ask a member of the team to help you.

We're only taking cashless payments for now.

Can I use my Nando's Card?

You can still earn Chilli Points and redeem your Nando's Card rewards. Just make sure you order using the email address your Nando's Card is registered to.

We'll bring everything to you

Settle into your seat, we're doing table service for now! Napkins, cutlery and sauces will be brought to your table.

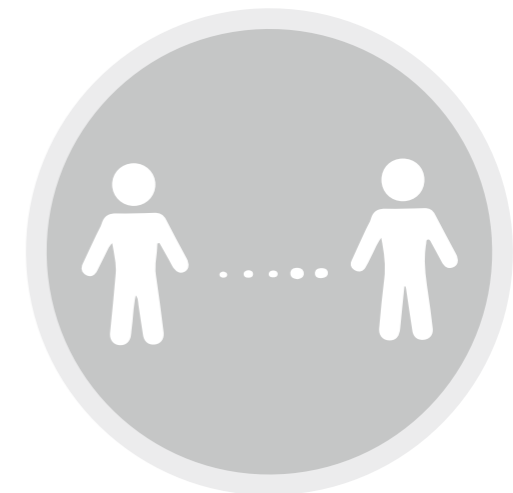

After a Bottomless Drink?

Just ask one of the team and they'll bring it to your table. When you need a refill, let us know, we'll do that too!

Food facts *Although Nando's restaurants aren't vegetarian, our kitchens aim to keep non-meat products separate from meat products. We can't, however, guarantee this. Please be aware that we sell nuts, there may be traces of nuts in all our products. If you have any questions please speak to a Manager. If you're after calorie information, please ask or visit our website / Nando's app. We take great care to remove the bones and cartilage from our boneless items and the stones from our olives but there is a tiny chance of finding one. Halal chicken may be served in any of our Nando's restaurants. Prices are listed in Pounds Sterling and include VAT at the current rate. Service not included.
